

Maryfield College Parents' Association  
Summer Newsletter 2009

Dear Parents,

Thank you for your support and donations throughout the year as they have enabled the Association to assist with many projects in the school, such as a CD player for Music, a laminator, a digital camera and a lunchtime project for Art, French dictionaries, two new computers, a defibrillator, new sports gear, a €500 donation for Library books, a €200 donation towards the annual Sports Day, and a donation towards the Graduation ceremony.

Ongoing projects include lighting in the school driveway and an intercom system in the school. Future projects include the painting of the school hall and a donation towards cloakroom refurbishment.

We meet on the first Tuesday of the month at 8pm in the school. All parents are welcome to join or simply come along to meetings. Through the work of the Association, we endeavour to support both pupils and teachers and we need more parents to join.

In October 2008, we had a very successful AGM at which Ms Margaret Deegan gave an informative presentation on "Internet Safety". This was funded by the Association.

In November, we hosted the annual Cheese & Wine night where parents of 1<sup>st</sup> Years were entertained by pupils in the school. A big thank-you to Mr Quigley and Mr Murtagh for the musical arrangements and organisation on the night as it was a huge success.

Enjoy the summer and best wishes to all exam students and especially the 6<sup>th</sup> Years who are leaving the school. Thank you also to Mr Wrigley and to Ms Flynn for their continued support.
