2. Characteristic spirit and general objectives of the school

Maryfield College is a Catholic all-girls voluntary secondary school with a Catholic ethos under the trusteeship of Le Chéile Schools Trust.

We acknowledge that it is through our relationships with others that we grow to our full potential. Therefore, we aspire to create an educational environment where pupils come to learn and to understand themselves, their abilities, and their world. In this environment, they are taught to take responsibility for themselves and for their behaviour.

We, in the school community, are guided by the teaching of Jesus, who urged us to love

God and one another as oneself, as a way of life that would bring us to self-fulfillments.

We teach and learn respect for one another and our world, accept our differences, and acknowledge our interdependence. In doing so, attention is paid to those in most need of our help.

2. Characteristic spirit and general objectives of the school Cont/d..

Maryfield College, as a teaching and learning community recognises the interdependence of management, teachers, pupils, and parents in the process of forming happy, secure, well-educated, and productive young people. The school endeavours to ensure that it provides a healthy balance between academic, social and spiritual development an environment that is welcoming and friendly, where a caring relationship is evident between staff, parents and pupils, where each one is accepted, respected and appreciated a value system that embodies the teachings of Christ, based on the Christian ideals of freedom, truth, love, justice, and self-discipline Our school seeks to build a learning community that welcomes, and witnesses to, the Gospel values of Jesus Christ, expressed through the lens of the Le Chéile Charter. The school draws on the richness of the religious and cultural heritage of the past and the charisma of the Sr. Elizabeth Prout of the Sisters of the Cross & Passion.

As a Catholic school, Religious Education is central to our curriculum. Alongside Religious Education, the school supports students in their Catholic religious formation. All students' spiritual growth is enhanced through areas such as nature, art, poetry, and music. The spiritual life of students can also be deepened through prayer and ritual.

In accordance with S.15 (2), (b) of the Education Act, 1998 the Board of Management of Maryfield College shall uphold, and be accountable to the patron for so upholding, the characteristic spirit of the school as determined by the cultural, educational, moral, religious, social, linguistic and spiritual values and traditions which inform and are characteristic of the objectives and conduct of the school

The general objectives of all Le Chéile schools include:-

- (i) it is established that information contained in the application is false or misleading.

- (v) “The board of management has a duty of care to ensure as far as practicable the health and safety of the students and staff of the school. In addition, the board of management is required under section 15(1) of the Education Act 1998 to provide, or cause to be provided, an appropriate education for each student at the school for which that board has responsibility. An application for admission may be refused, therefore, where the admission of the applicant would pose a significant risk to the health and safety of the applicant or students and staff of the school, or risk significantly interfering with the right of other students to an appropriate education.”

12. Sharing of Data with other schools

Applicants should be aware that section 66(6) of the Education (Admission to Schools) Act 2018 allows for the sharing of data between schools in order to facilitate the efficient admission of students. Section 66(6) allows a school to provide a patron or another board of management with a list of the students in relation to whom—

- (i) an application for admission to the school has been received,
- (ii) an offer of admission to the school has been made, or
- (iii) an offer of admission to the school has been accepted.

The list may include any or all of the following:

- (i) the date on which an application for admission was received by the school;
- (ii) the date on which an offer of admission was made by the school;
- (iii) the date on which an offer of admission was accepted by an applicant;
- (iv) a student’s personal details, including his or her name, address, date of birth, and personal public service number (within the meaning of section 262 of the Social Welfare Consolidation Act 2005).

13. Waiting list in the event of oversubscription

In the event of there being more applications to the school year concerned than places available, a waiting list of students whose applications for admission to Maryfield College were unsuccessful due to oversubscription will be compiled. It will remain valid for the school year in which admission was sought. Applicants are placed on the waiting list in the order of priority assigned to the students' applications after the school has applied the selection criteria under this admission policy.

Offers of any subsequent places that become available for and during the school year in relation to which admission is being sought will be made to those students on the waiting list, in accordance with the order of priority in relation to which the students have been placed on the list.

14. Late Applications

All applications for admission received after the closing date, as outlined in the annual admission notice, will be considered and decided upon in accordance with our school's admissions policy, the Education Admissions to School Act 2018, and any regulations made under that Act.

Late applicants will be notified of the decision in respect of their application not later than three weeks after the date on which the school received the application. Late applicants will be offered a place if there is a place available. In the event that there is no place available, the name of the applicant will be added to the waiting list.

15. Procedures for admission of students to other years and during the school year

Where parents wish to make an application for their son/daughter to a year group other than First Year or during the school year, they should, in the first instance, fill in an Application Form. An offer of a place can only be made if there is space in the year group in question. A decision on whether a place can be offered will be conveyed to the parents within 21 days of the initial application. Applications made for a place in Transition Year or Fifth Year in the forthcoming academic year will be deferred until the Principal has established the number of available spaces in each of these year groups, which will depend,

in turn, on the number of existing Third Year students who progress to either year group. Such applications will be placed on a waiting list until the number of available places in the relevant year group has been established by the Principal.

Before accepting the offer of a place in the school, the parents and their son/daughter may be invited to attend a meeting with the Principal and/or Deputy Principal to ascertain whether there is a place available in the particular subject classes required by their son/daughter. The fact that there may be a space in a year group would not automatically mean that there is a place available in a particular subject class at the level required by the student. This is because class size is limited in certain subjects. For this reason, parents and their son/daughter are strongly recommended to attend a meeting with the Principal and/or Deputy Principal to ensure that a transfer to the school would be in the best interests of their son/daughter given the curricular provision, subject choices/levels available at the time.

15. Procedures for admission of students to other years and during the school year Cont/d..

Acceptance of an offer of a place by an applicant to a year group other than First Year or during the school year:

The parents must confirm their acceptance in writing of an offer of a place within three weeks of the date of the offer of a place.

In accepting an offer of admission from Maryfield College the parents must indicate—

- (i) whether or not they have accepted an offer of admission for another school or schools. If they have accepted such an offer, they must also provide details of the offer or offers concerned and
- (ii) whether or not they have applied for and awaiting confirmation of an offer of admission from another school or schools, and if so, they must provide details of the other school or schools concerned.

Parents should be aware that failure to disclose this information on the acceptance of a place may lead to an offer being withdrawn by the school.

Circumstances in which offers of a place in a year group other than First Year or during the school year may not be made or may be withdrawn:

An offer of admission may not be made or may be withdrawn by Maryfield College where—

- (i) it is established that information contained in the application is false or misleading.
- (ii) an applicant fails to confirm acceptance of an offer of admission within three weeks of the date of the offer of a place.

- (iv) an applicant has failed to comply with the requirements of 'acceptance of an offer' as set out above.

15. Procedures for admission of students to other years and during the school year Cont/d

- (v) the admission of the applicant would pose a significant risk to the health and safety of the applicant or students and staff of the school, or risk significantly interfering with the right of other students to an appropriate education. The Board of Management has a duty of care to ensure, as far as practicable, the health and safety of the students and staff of the school. In addition, the Board of Management is required under section 15(1) of the Education Act 1998 to provide, or cause to be provided, appropriate education for each student at the school for which that board has responsibility; or
- (vi) the application is made for a place in Transition Year or Fifth Year in the forthcoming academic year before the Principal has established the number of available spaces in each of these year groups, which will depend on the number of existing Third Year students who progress to either year.

Oversubscription to the year group other than First Year:

In the event of there being more applications to the year group other than First Year than places available, a waiting list of students whose application for admission to the particular

year group has been refused will be compiled and will remain valid for the school year in which admission is being sought.

Placement on the waiting list will be in the order of priority assigned to the students' applications after the school has applied the selection criteria in accordance with this admission policy see Section 6 above. If there are two or more students in any of the selection criteria categories set out in Section 6 above, then the position on the waiting list (for places in a year group other than First year) will be determined by a lottery process overseen by the Principal, Deputy Principal and an independent observer appointed by the Board of Management.

Offers of any subsequent places in the year group other than First Year that become available during the school year will be made to those students on the waiting list, following the order of priority to which the students have been placed on the list.

- (a) an application for admission of a student to the school, or
- (b) the admission or continued enrolment of a student in the school.

17. Arrangements regarding students not attending religious instruction
